CORONAVIRUS/COVID-19 LIABILITY WAIVER

The coronavirus has been declared to be a world-wide pandemic by the World Health Organization. Massachusetts, like much of the United States, has adopted a phased-in approach to dealing with the virus .The State, federal government and school regulators are working diligently to protect students when schools reopen in the fall. Preschool For Creative Beginnings ("Creative Beginnings") will be following all regulations adopted by the Commonwealth of Massachusetts and the Department of Early Education.

The state of medical knowledge continues to evolve. Until a vaccine has been created, teachers, students and family members remain at risk to contract the virus even if all appropriate steps are taken to prevent its transmission. Creative Beginnings staff will work diligently to minimize the risk of transmission. Parents will be taking similar precautions when their children are not in school. It can be difficult to determine how and when a person becomes infected. However, despite best efforts to prevent the transmission of the virus, neither parents nor Creative Beginnings can guarantee that a child will not become infected.

By signing this Coronavirus/COVID-19 Waiver, you are releasing and waiving your right to file a claim against Preschool For Creative Beginnings, Inc. or any of its teachers, staff, employees, agents and representatives for any and all injuries suffered by you, your child or any family member arising from exposure to, infection from or spread of the coronavirus/COVID-19 virus arising from your child's attendance at Preschool For Creative Beginnings, Inc. for the 2020-2021 school year.

By signing this Waiver, you are acknowledging that you have read and understood the contents of this Waiver and that you are legally authorized to sign on your own behalf, on behalf of your spouse and on behalf of your child.
